### Work shop on phases of teaching 2018

Since 2015 Teacher training programme has been changed according to NEP the teacher training programme started for One year to Two years. There are so many changes in B. Ed syllabus so GESCER Parel started different workshop for every year like

- Phases of teaching,
- Essential skills of teaching
- Objectives and specification
- How to write lesson plan
- Administration test

#### Phases of teaching

College organized these workshop of 20<sup>th</sup> July 2018 in lecture hall Prof. V.N. Gavitt explain pre-active stage of teaching, Prof. P.S. kale explain active stage of teaching, Dr. C.U. Chavan explain post active stage of teaching. After lecture students are divided in six groups for workshop GESCER provide good opportunity for learning experience all professors' guide and supervision for workshop.

#### Essential skills of teaching

GESCER motto is to produce global teacher so we focus on produce skill full teachers so specially organized workshop on essential skills of teaching like Introduction, Stimulus variation, explanation questioning, Board writing. These skills help student their practice lessons.

#### Objectives and specification

GESCER every year organize a workshop of objective and specification for our student before going actual in school teaching or internship in the workshop how to write objective and specification what is the importance in lesson planning how its help student for effective teaching Dr. Chavan was took lectures there after student going group work or teacher guide for the same.

#### How to write lesson plan

Lesson plan is very important of student teacher because effectiveness of each and every lesson depend on lesson plan Prof. Gavitt took lecture how to write lesson plan what are steps of lesson which are elements of lesson plan. Like previous knowledge, core element and values introduction objective and specification contain analysis teaching learning experience evolution are very importance co-relate for each other after lecture all students go for workshop in groups

#### Administration test

Evolution is a very important part of education system without evolution we can't judge or grading, ranking of the student. GESCER organized a workshop for the student Prof. Patkar take lecture of how to conduct administrative test in school education. So we provide preparing year plan, unit plan, blue print, scoring of test, test question paper in the workshop.

GESCER *EVERY YEAR IN THE SECOND SEMESTER* before start the internship programme organized same programme in month of July because student need guidance about that, this all thing new for them.

## Report

### Work shop on phases of teaching 2022-2023
