RESEARCH MOBILIZATION FOR RESEARCH 3.1.4

GESCER has active Research Cell. Brain storming, think tank, Encouragement to novel ideas, Research and innovations are core value added activities of our academic institution, for inculcating new skills in students, execute their innovative ideas and nurture their creativity. In this regard the college has created a research atmosphere and provides excellent opportunities for research activities. The consistent increase in the number of research publications and Ph.D. research scholars shows the enthusiasm in college.

The college has a Research Advisory Committee (RAC) of 5 members which monitors and addresses the research related issues. The college encourages students at to take up research project work and minor research project grant. The college is consistently motivating students for TET, CTET, research competitive exams, Aptitude Tests, and entrance exam. The library provides e-books, e-journals for the latest research literature. ICT facilities are also made available.

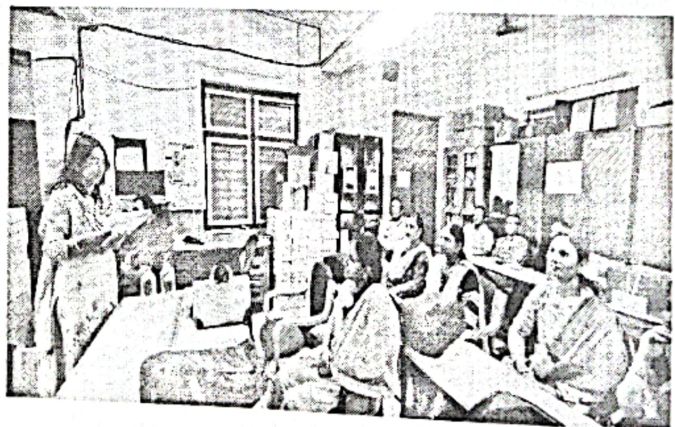

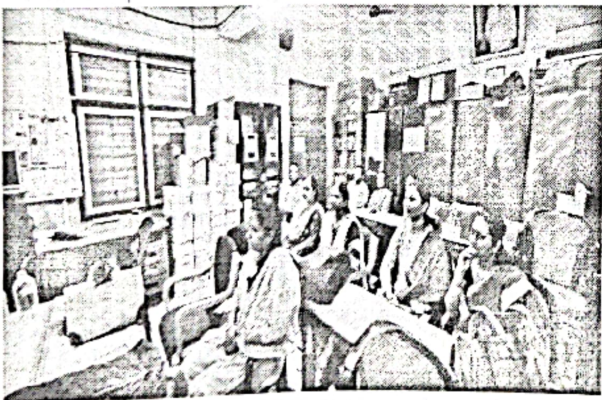

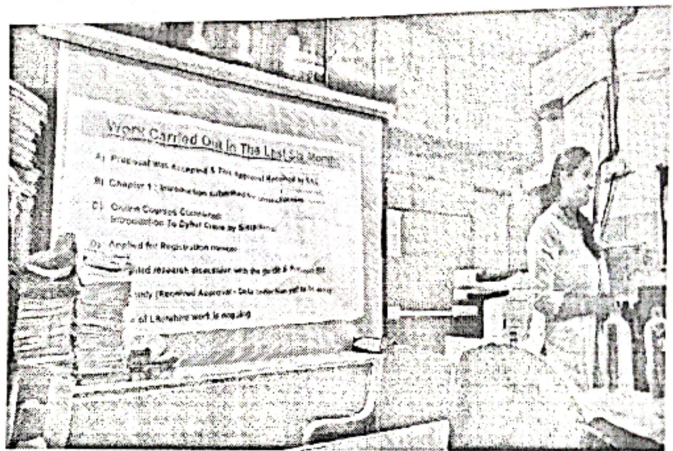

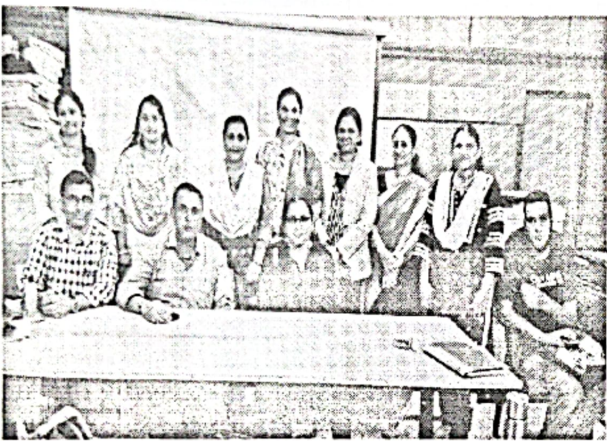

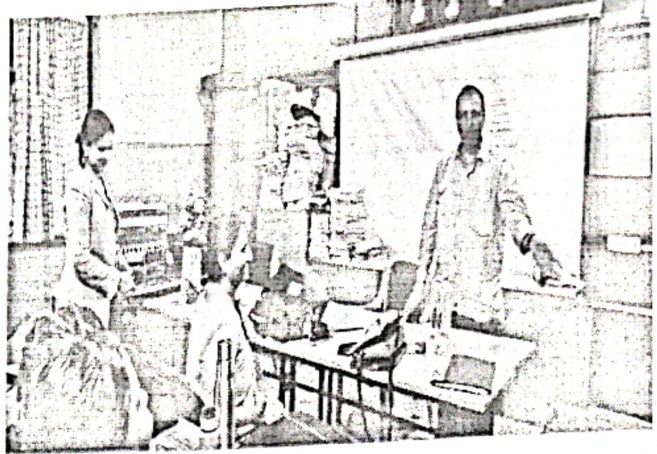

The Institute also invites our own passed out students for guiding and motivating students for TET, CTET, NET, SET, and PET exam preparation. We are consistently engaged in organizing research and innovation related workshops, such as research methodology, SUPW, cartography and IPR through IQAC committee.

Students and staff members who are awarded with Ph.D. Degree, and having high impact factor publications are felicitated in the ceremony and appreciated in annual day.
