14	Name any two significant attributes which you have learnt helped you for effective classroom teaching:	<ul style="list-style-type: none"> * Confidence, complete knowledge about the content * Voice modulations, evaluation * Can Confidently conduct lessons and to apply activity based learning in our teaching * Communication with class and Planning of lessons Active and Confidence 1) Creative teaching 2) Time management * Activity based learning * Teaching aid and confidence * Classroom Management, Skill of Blackboard Writing * Confidence and various methods * Positive side in every situation, Creative * Use of appropriate teaching aid And managing students evaluation Process, Preparation of blue print and year plan * ICT training and Cultural activitied * Positive attitude, patience, empathy. * Teaching techniques * Nai talim * Teaching through constructivist approach * Health tips education goals * Multi tasking * Controlling the class and to develop values in pupil. * Look on the positive side of every situation. Communicate with students about their progress. * The mistakes pointed out by the teacher and the guidance given by them for time management during teaching. . * Scheduling and planning * Content knowledge * Patience and Class Management 												

		<p>(i)To Understand Each students motivation (ii) Adaptability and Flexibility Dedicated and pationate teacher * Class control, time managements * How to use teaching aids, * Use of ICT and proper communication skills * Classroom management and self discipline * Time Management and communication skill Organized, management * Effective lesson plan and interaction * Teacher gudeiness, self-confidence, knowledge * Self-confidence and knowledge 1)Self confidence 2) knowledge 1) Look on the positive side of every situation. 2)Communicate with students about their progress. 1- How to demonstrate while using any teaching aid to supplement teaching. 2- How to module the whole lesson as per the students age, ability and aptitude * Learn Something New Every Day and Constantly Look for Ways to Become Better * Various Teaching learning activities and Lesson plans making. * Discipline manner of teaching and effective attention * Content delivery and many ways of teaching science and maths Gavit Sir explain various techniques for effective teaching which helped me a lot.</p>
15	Mention any two of your expectations from Teacher Education Programme which are fulfilled	<p>* Way of teaching and evaluation * Leadership quality, confidence building 1.Well training of teaching. 2.To build up self confidence 1)Knowledge on proper teaching-learning skills. 2)Group based learning and exposure in schools. Taking to children..and giving lesson 1) Lesson planning 2) Internship Everything was properly done 1)All lectures conducted 2)Good guidance by professors Stage Confidence,Presentation * I have developed confidence and how to go about. * Good Knowledge of the subject,The method of teaching * Can teach students with different learning skills * Conducting effective and interactive lessons. * Good guidance and supportive teachers * More practical teaching, internship programme * All Teaching effectively</p>

		<ul style="list-style-type: none"> *Guidance and practice *Guidance and learning *Practice session and proper guidance which has been fulfilled. * All Practical experience of teaching and guidance for teaching. * Good quality education * Guidance and internship in school * Educating students * Being a subject expert and developing my interpersonal skills * Demonstrate Professional practices ,collaboration, Adaptability of effective teaching (ii) Honesty and ethical behaviour and professional attitude * Learning methods and confidence * Teachings and learning * Good study material provided,Good for overall development for students personality * Practice teaching and proper guidance * Lots of guidance, correction from teaching staff during lessons planning & teachers support in need * Stage confidence * Confidence and how to manege classroom * Classroom management, lesson plans * Online teaching and good lesson planning * Confidence and professional attitude * Effective classroom teaching * Effectively classroom teaching, communication <p>1) Everyone Will Love Our Lessons. 2)Everything Will Work Like It's Supposed To.</p> <p>1- Classroom exposure during internship. 2- I could develop a strong mentor-protoge relationship with few of them.</p> <p>teachers who are passionate and focused ocused on teaching and second expectation was To correct the mistakes of the students, explain and not give lectures</p> <ul style="list-style-type: none"> * Understanding Various Teaching learning activities and Lesson plans making. * Guidance for teaching and way of effective teaching process <p>Information about teachers field and teaching of methodology subject</p> <ul style="list-style-type: none"> * I expected to increase my interpersonal skills which was accomplished through this teacher education
16	Mention any two of your expectations from Teacher Education Programme	<p>Internships in international schools, online teaching</p> <p>More technology based trainingb is needed</p> <p>1)More E-learning based lectures 2) Seminars on effective personality and communication.</p>

which are not fulfilled	Due to covid.. activities are not taken	
	Learning to prepare time table, College events	
	All the expectations were fulfilled	
	The intership was not good enough	
	No such expectation which is not fulfilled	
	Online teaching.	
	All are fulfilled	
	Personal level attention	
	Maximum expectations were fulfilled	
	Placement	
	Inadequate teaching hours during intership and better library facility.	
	No proper education	
	Everything was satisfactory	
	I expected lots of field studies like excursions, visits etc & also expected a better computer access facilities	
	Online platform of teaching learning	
	School intership offline and college trip	
	Placement in every college should be there.	
	College trip	
	Not enough Experience	
	Experience	
	Experience	
	01- Inadequate exposure to Field trips to enhance students learning. 02- 02- Lack of resources for adequate teaching learning as well as dilution in 03- academic standards set as per NCTE.	
	The first is that due to the pandemic, there was no opportunity to teach in school during the intership and secondly, there was no opportunity to study in the classroom.	
	Various ICT tools utilisation in teaching learning activities in school is not provided in depth information and not also helped in preparation of various other teacher education related exams like SET etc.	
	Activities and preparations regarding of question papers m	
	Everything was fulfilled
