## INTERNATIONAL WOMEN'S DAY

Event: Program on the occasion of International Women's Day.

Date: 08th March 2022

Time: 12.00 PM

International Women's Day is celebrated on 8th March 2022 worldwide. There was a GR by the government of India, about conducting a function on this special day. WDC (Women Development Cell) Department head: Dr Sangeeta Patkar Ma'am gave the First year B.Ed students an opportunity to conduct this program. This was the first program of the First Year B. Ed students. It was planned on Saturday 5th March 2022. Within this short time period, students enthusiastically participated in the program. The hosts of the event were Shradha Singh and Lamayha Ansari.

The event started with the welcome of our Principal, Teachers and Staff members, followed by Saraswati Vandan by Principal Sir.

Our host Lamayha started the event by sharing the theme and her views on the International Women's Day 2022, 'Gender equality today for sustainable tomorrow #breakthebias'. Next, Shradha shared her views on: 'The Power of our Speech' and called Shradha Dubey on stage to deliver a speech on International Women's Day: History and background of women. After her inspirational speech on this special day, the program was carried with enlightening poems by our students. We know poetry is an art, we saw this through our students' performances.

Firstly, Ajay Pratap Singh shared his beautiful piece of writing (self written): 'Who is She?' Then, Pradnya Vibhandik recited her revolutionary poem: 'Aurat'. Yaksha Yadav recited: 'Count all the ways you're beautiful' and Gayatri Deshmukh on 'Agony of a married woman'. The last poem was by Maria Sneha: 'Inner Beauty', which she finished with a melodious song. All these poems were unique and built up the program.

Next, Pooja Mayekar enlightened us about the gender stereotypes in our society, exceptional work of women in different fields and equal opportunities for all.

The cherry on cake was the skit on Feminism directed by Manjuka Desai. The real meaning of feminism, equality and respect for all, patriarchy and its effect were beautifully shown through the skit. All the participants: Varsha Kundekar, Kajal Tiwari, Bless Dmello, Shubham Sharma, Pratibha Naik, Manjuka Desai, Sudha Naidu, Manjeet Das and Shradha Dubey were fantastic

in their performance. It was indeed a powerful reminder that equality is not a concept that we need to strive for; it is actually a necessity.

There were also posters on International Women's Day made by our students: Shefali Patil (Strength of a woman), Kajal Tiwari (Solidarity of woman), Manjeet Das (Qualities and caliber of a woman), Ajaypratap Singh (Tum ho, toh hum hai), Varsha Kundekar (Strong woman in every field), Dakshata Pinto (Evolution of woman), Sharon Bolli (Strong woman learning to fly), Mamta Agrahari (Freedom) and Tejal Nare (Perspective is important).

Our I/c Principal Dr. Prashant Kale shared his views on the program, the first program and successful one. Dr Sangeeta Patkar Ma'am, our event organizer, appreciated the members for conducting the event in a short time and great start for the upcoming programs. She enlightened us with her thoughts on this special day - let's begin with us, change in our actions results in change in our society.

The vote of thanks was delivered by Nandan Karkate. He summarized the program beautifully. Everyone got new insights through this program.
